**Gildas Quinquis and Chris Roy at Endowment and Foundation Forum in Boston, MA**

Gildas Quinquis and Chris Roy participated as panelists for separate investment panel discussions at the Endowment and Foundation Forum in Boston, MA. Gildas' panel, titled "Renewable and Traditional Energy", included a panelist of leading investors in traditional and sustainable energy assets. Chris' panel titled "Consultant and Investor Roundtable Q&A" included other panelists like the Chief Investment Officer of a large state university's endowment office and a member of a leading investment consulting firm.

At the 17th Annual Endowment and Foundation Forum participants and delegates will speak on a range of issues, including necessity for non-profit governance for endowments, means of capturing alpha in a portfolio, methods of choosing money managers, and problems of ethics and liability in fiduciary planning, as well as addressing pros and cons of investing in equity, fixed income, alternative, and real estate products.
